RE: C00546630

Dear Mr. Holly:

As per our conversation you will find the 2015 second quarter report. The cash balances are not correct as I am working with a professional accountant to get a number of amendments done. I am told that all accounting is done and the data is being put into the filing program. We should be able to get the amendments to the Senate and FEC and then close this committee down.

Sincerely,

Bart J. Ward
Treasurer, Abeler4Senate
